

# Pride from A(pples) to Z(ucchini)

# Your guide to harvest times and availability for the incredible diversity of New York State produce.

Today more than ever, New York consumers are demanding close-to-home freshness in everything they buy. And very few places even come close to New York State for the variety and quality of its farm-fresh produce.

As the Program dedicated to advancing New York agriculture, we take a lot of Pride in New York State fruits and vegetables – and the Pride of New York members who produce them.

The above periods are approximate. Harvest periods may begin a week to ten days earlier during a warmer-than-usual year. A cool spring will delay crop maturity. Call farms for exact dates of harvest.
